SENIORS

After a slow start due to the weather, the season is now well and truly under way. Our senior women's team goes into the x-mas break on top on the ladder a game and a half clear! In the men's teams, the 1st XI are in a strong position in 2nd place after a 7-1 start to the season, and the 2nds, 3rds and 4ths are all either in or within a game of a finals place. As a result we currently sit 5th of 32 teams in the VSDCA club championship. The 5ths have some work to do but if last season is anything to go by, they will come home like a steam train. Hopefully all teams can taste some finals action in 2023!

3 Benefits of Refinancing

Want to learn more about refinancing your home loan? Read all about the benefits of refinancing and then reach out to your local finance specialist, Nick Reid, by [clicking here](#).

1 Reduce your mortgage repayments

Refinancing can help you find a lower interest rate and reduce your monthly repayments.

Let's say you are currently paying \$2,795 per month on repayments with an interest rate of 3.80% p.a. over 30 years, with no extra fees.

If you were to refinance that interest rate to 3.00% p.a. your monthly repayments would reduce to \$2,529.

This could save you \$95,760 throughout the life of your loan! *

2 Access to equity

By reducing your monthly repayments and saving more over the course of your home loan, you can unlock access to equity that you might have never had.

With more access to equity, you can use it towards other goals such as:

- Buying an investment property.
- Renovating.

• Going on that well deserved holiday.

3 Consolidate your debt
