Who is allowed to play?	Any female over the age of 14 is eligible to play. We are looking for you to reach out and help us build our team. If you are female and would like to join or your mother, your sister, your wife, your aunty, your grandmother, your friend, your colleague anyone at all - everyone is welcome.
Do I need experience?	<p>The competition is available to clubs across the Southern Bayside region, and for anyone wanting to give cricket a go.</p> <p>It is a social competition for those who have little to no experience. So if you are female and aged 14 years and over you are welcome</p> <p>Everyone is welcome and encouraged to join and the competition caters for all levels of ability with the focus being on participation and enjoying the experience of playing cricket.</p> <p>This competition has specific rules to make sure that this remains a social game that is accessible to all. The games will have a little competition but we want you to meet new people and enjoy your time learning new skills.</p>
What is the registration fee?	<p>The registration fee for this competition is \$200 full price \$150 concession.</p> <p>The fee also helps to pay for equipment, cricket balls, ground hire and events throughout the season.</p> <p>The club will provide a complementary hat and playing shirt to all first year participants.</p> <p>We are all working collectively to minimise the cost to play.</p>
What do you need to wear?	<p>Players will be required to play in a Club shirt, club hat and white cricket pants.</p> <p>At club training you can wear whatever feels comfortable (but club training shirts are strongly encouraged, these are available to purchase through SWIVS locker along with an array of other club merchandise).</p>
What equipment do I need to play?	<p>If you have your own cricket gear - great - you can use that. If you don't that is not an issue we have club kits for you to use. Clubs provide everything - bats, balls, stumps, pads, gloves, helmets. The only thing you must provide your own of is a personal protector (if you wish to wear one and we have some of those available to give you) and we suggest purchasing a pair of batting inners.</p> <p>Coaches and club members can assist in providing names of places and the type of equipment to buy.</p>
